

**AMENDMENT NO. 1**  
**Solicitation No. S00R2600024**  
**Broadband Device Purchase and Distribution**

The following is an Amendment to the above mentioned IFB. The purpose of this amendment is to clarify information contained in the IFB. All information contained herein is binding upon all Offerors who respond to this IFB (see IFB, Section 4.17, Acceptance of Terms and Conditions).

Please see the below changes.

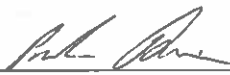

<i>Section 2.3.1.A, Hardware Minimum Specifications, is changed to include:</i>	<b>Operating System: Chrome OS</b>
<i>Section 2.3.1.A Processor, is changed to state:</i>	<p>Intel Celeron N4010; or ARM MediaTek MT8173</p> <p><b>DHCD will accept devices with processors other than those above. The processor must be Intel or AMD and must possess minimum specifications equivalent or better than those listed below for their respective manufacturer:</b></p> <p><b>Intel: Total Cores 2</b>  <b>Total Threads 2</b>  <b>Burst Frequency 2.60 GHz</b>  <b>Processor Base Frequency 1.10 GHz</b>  <b>Cache 4 MB</b></p> <p><b>AMD: Total Cores 4</b>  <b>Total Threads 2</b>  <b>Burst Frequency 2.0 GHz</b>  <b>Processor Base Frequency 1.6 GHz</b>  <b>Cache 1 MB</b></p>
<i>Section 2.3.2.D is inserted to state:</i>	<b>D. The Contractor shall be liable for devices until acceptance following delivery to the designated address. The Department shall notify the vendor within five (5) business days after delivery that either a device must be replaced, or that the Department requires additional time to inspect</b>

the delivered devices. If the Department sends no notice of required replacement or extension of time for inspection within five (5) business days after delivery, the devices shall be considered accepted.

The vendor must replace any devices rejected due to damage during shipping or other defects (i.e. the wrong item). After the devices are accepted, manufacturer's warranty will apply.
